

U13-15 Edition

2010 Northern California Spring Showcase

March 5-7, 2010

Welcome to the Northern California Spring Showcase !

The Juventus Sport Club is delighted to once again be the primary host for the Showcase. In this, our third year, we welcome 239 teams from Canada, Colorado, Idaho, North Dakota, Nevada, Oregon, Utah, Washington, and California. The caliber of this year's teams is extremely impressive. With all 444 games on high quality all-weather fields, this will be a great weekend of soccer.

We could not organize the Showcase without the generous support of our partner clubs and area soccer leagues, high schools, colleges, and neighboring youth sports organizations.

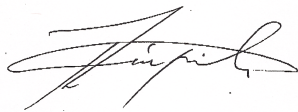

We are especially grateful for the support of several local city departments. In particular, the Redwood City Parks, Recreation and Community Services Department has been and remains a wonderful friend of youth sports. The Department's commitment to community health and youth development through its visionary management of recreational facilities is especially impressive.

Our partner clubs have again demonstrated that our shared love of the game goes beyond differences in the color of our uniforms. Our thanks go to: Alliance FC, Belmont Oaks SC, Castro Valley SC, Half Moon Bay SC, Milpitas SC, MVLA SC, Palo Alto FC, Peninsula YSC, Stanford SC, MP Strikers FC, and Union City YSL. We also thank Cañada College, Chabot College, Skyline College, and many area high schools that made their fields available this weekend.

We also appreciate the scheduling flexibility offered by other community youth sports organizations, including Redwood City AYSO, Redwood City National and Highlanders Little League Baseball, and the Firehawks Lacrosse Club. And as always, special thanks go to the many Juventus volunteers who helped in so many ways. Your time and efforts are greatly appreciated.

Last but not least we thank you, the participants – the players and their families, coaches, and our college coaches – for joining us.

We wish you all good luck and a fun-filled weekend!
